Do you believe in Santa?

Hello, Neighbor,

I still believe in that jolly, old, red-suited guy. And I want to encourage others to do the same. Why? Because it's fun.

It's also the reason I'm transforming each of my Service Technicians into a "Top Secret Santa."

No, they won't be wearing red suits trimmed with white fur. (Can you imagine trying to install a toilet or unclog a sewer pipe in one of those???)

But they will be making a lot of people smile.

Here's what's going to happen.

All during the month of December, my Service Technicians will randomly deliver special gifts and other holiday surprises to customers and NON-customers alike.

Every day we'll load our trucks with plumbing supplies AND wreaths, toys, games, candy, fruit, poinsettias, Gift Certificates and more to leave with randomly selected customers, daycare centers, nursing homes, even total strangers walking down the street.

One customer will even receive a Gift Certificate worth **\$500** of our services.

It's our way of saying... **"Happy Holidays!"**

For Preferred Plumbing (831-761-0644),

Raquel

P.S. Among the surprise gifts we'll give out will the Johnny Lite™ I first told you about last January. It was a big hit when we gave it away in January. Who knows, call us for an appointment and you may receive one as my holiday gift to you.
